

ATR Series

ATR40 Unidirectional dynamic vocal/instrument microphone

- Well-suited for on-stage vocal/instrument use as well as for the karaoke enthusiast
- Rugged metal construction with special soft-to-touch paint
- Unidirectional polar pattern reduces pickup of undesired off-axis sounds
- Proximity effect provides enhanced low-end response when used close up
- Conveniently-located on/off switch
- Includes stand clamp and detachable 16.5' (5 m) cable (XLR to 1/4" phone plug)
